● While keeping your
let servicemen greatly

a true story by Bob Ferrel

SOME YEARS AGO I was a printer in a small Michigan town. I drew a pretty fair pay check but it wouldn't stretch far enough to provide the kind of living I wanted for my wife and five children.

Then one day I was reading a magazine just as you now are and I saw an ad. It intrigued me. It offered me the steadily growing income I had always hoped for. It said I would have greater security and personal independence ... and that's what I had been wanting.

I was a little skeptical, but I said to myself, "for a postage stamp I can find out." So I mailed the coupon. In a few days, I got a letter with a booklet that gave the whole story. It opened my eyes. I could see why owning my own business was so much easier than I had always thought ... why the day to day guidance of a successful worldwide organization could assure my own success.

I read the booklet several times. It just seemed too good to be true. I talked it over with my wife. We decided that **now** was the time to make the forward step ... there was no reason to keep postponing an income increase.

So, I applied for a Duraclean dealership and I was accepted. I stayed with my job ... ran a few ads ... sent some mailings ... contacted a few stores and told my friends about the superior services I was now equipped to give them. Evenings and Saturdays, I rendered the service. As the business grew, I added servicemen.

I found that I didn't have to develop a single idea myself. Every step has been prepared for me and pre-tested. Hundreds of other men had already proven my methods successful.

It didn't take long to see that I was making three to four times (yes, 3 to 4 times) as much per hour in my own business as in my printing job. So, after only seven months with a good following of customers, I quit my job to go full time on my own. In the meantime, I had enjoyed all this extra income on top of my salary.

Each day, we realized what a **serious** mistake not mailing that coupon would have been ... and how that little act that seemed so trivial at the time actually changed our lives.

The steadily growing income brought us many things we could not afford before. My efforts were so much more productive. I scheduled my time to my own liking. When we wanted a day or two off, we took it. I worked hard but, if I wanted to be home early or quit at noon, I did.

I became so enthusiastic about this business and so appreciative of what it had brought my family that, whenever a man opened a dealership near me, I helped him get a quick start.

The company learned about this and had each new dealer in my section of Michigan spend a day with me. One day the president of Duraclean Company asked me how I would like to move to Headquarters and spend my entire time helping dealers to increase their sales and profits.

That was good news to my ears. Since then I have worked with hundreds of our dealers in their own towns and at regional meetings, conventions and dealer group meetings, and by letter and telephone. All the top officers here take an interest in each dealer's success.

you step by step thriving business present job, increase your income

Incidentally I sold my dealership at a good profit. Many dealers sell their dealerships for several times their cost. If for any reason a dealer wants to sell, we maintain a service to locate buyers and help him sell.

Our job here at headquarters is to show each individual Duraclean dealer how to use his own abilities to bring him greatest success. I know hundreds of our dealers on a first name basis. We work together as one happy family. If you become a Duraclean dealer, we are as close to you as your telephone or mail box.

It's Easier Than You Think To Build Your Own Business

If you've wanted to BE YOUR OWN BOSS ... to become financially independent and have a fast growing income, now YOU CAN. And you own a Nationally Advertised business.

You can stay at your present job while your customer list grows ... then switch to full time, lining up jobs for your servicemen to do. One job a day brings a good starting income.

If you hire two servicemen (full or part time) while you keep your job, the national price guide provides you a gross profit of \$14 an hour on their work and this is much easier to do than you think. **We show you how ... step by step.** That \$490 for a 35 hour week.

Your gross profit on three servicemen is \$21 per hour. An efficient Duraclean dealer can gross \$7 per hour on EACH serviceman plus \$12 an hour on any service he himself renders. The 32 page illustrated booklet we'll mail you (with no obligation) explains how most of your gross profit becomes **clear net profit**. Your income is limited only by the number of servicemen you employ.

You can operate from a shop, office, or your home. Equipment is light and portable.

At the start, you may want to render service yourself ... or you can start with full or part time servicemen. This business is easy to learn ... easy to start. We prefer you have no experience ... not have to "unlearn" old ways.

Duraclean is enlarging this worldwide system of individually-owned service businesses. If you are reliable, honest and willing to work to become financially independent, we invite you to mail the coupon.

When you receive our illustrated booklet, you will see how you are guided **step by step** to quickly

get customers ... and still more customers from their recommendations.

You have 7 superior services that are rendered "on location" in homes, offices, hotels, theaters, clubs, motels and institutions.

These are not ordinary services. You have the prestige and endorsement of leading furniture makers and carpet mills, and of Research and Testing Laboratories.

National magazine advertising explains superior merits of your services, builds your customer's confidence and brings job leads to you.

Your headquarters and a Duraclean dealer will train you and assist you. He'll reveal his successful, proven methods. You have pre-tested newspaper and yellow-page ads, commercials, and a full mailing program.

Start Small, Grow Big in this Booming Business

Many men have said to us, "I can't afford to give up my job till I have a sure thing ... a sound business that will provide both security and a better living for my family."

That made sense to us so we worked out such a plan ... and those same men are now enjoying Duraclean dealerships worldwide. You don't experiment. You use **tested, proven** methods. You have **Duraclean's backing and 50 years of "know how."**

Does this appeal to you? Don't decide now. Mail the coupon so you'll have the facts to decide wisely. There is no obligation. You'll then know whether this is what you want.

You can start small and grow big.

Our first service, the care of upholstery and carpets not only cleans, it enlivens the fibers ... revives dull colors. Pile rises with **new life**. There's no harsh machine scrubbing. No soaking. Mild aerated foam lightly applied lifts out dirt, grease, many unsightly spots like magic. Furnishings are used again in a few hours.

Government figures show service businesses are **growing faster** than industries and stores ... \$750 million yearly potential just in rug and furniture cleaning. Your **6 other services** are explained in the free booklet we'll mail you.

You can start a dealership for as little as \$3,488. Another option is an \$11,588 full cash investment, and if you qualify, Duraclean can work out financing for half this amount.

It is surprisingly easy to learn this business. You can decide from the information we will send you whether to apply for a dealership. So, with **no obligation whatever**, mail the coupon TODAY. Cut it out NOW so you won't forget to mail it.

BEAT INFLATION!

Cash in on the huge demand for small engine repair.

Work part time, full time right at home - we help you every step of the way.

making business!

In just a short time, you can be ready to join one of the fastest growing industries in America...an industry where qualified men are making from \$10.00 to \$15.00 per hour...and that's just for labor. Parts, engines and accessories add even more to the profits.

Because the small engine industry has grown so quickly, an acute shortage of qualified Small Engine Professionals exists throughout the country. In fact, it's not unusual for a good small engine man to be three to four weeks behind in the summer and at least a week behind in the winter. When you see how many small engines are in use today, it's easy to understand why qualified men command such high prices—as much as \$17.50 for a simple tune-up that takes less than an hour!

65-million small engines are in service today!

That's right — there are over sixty-five million 2-cycle and 4-cycle small engines in service across the U.S.A. That's the official count from the Engine Service Assn., and new engines are being built at a rate of one-million per month! With fully accredited and approved Foley-Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. Home-owners and businessmen will seek you out and pay you well to service and repair their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, go-carts, snowmobiles, generators, snowblowers, paint sprayers... the list is almost endless.

No experience necessary.

You don't need to be a 'born mechanic' or have prior experience. If you can read, you can master this profitable trade right at home, in your sparetime, without missing a single paycheck. Lessons are fully illustrated—so clear you can't go wrong.

You receive trade secrets and business plans.

We guide you every step of the way, including tested and proven instructions on how to get business, what to charge, how to get free advertising, where to get supplies wholesale...all the "tricks of the trade"...all the inside facts you need to assure success right from the start.

An ATLAS BODY? In 7 days

my method of DYNAMIC-TENSION starts giving you results you can feel and your friends will notice. Big, useful muscles. Gain pounds in weight where needed.

Lose "pot belly." Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a REAL man! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.

HOW I CHANGED FROM A 97 LB. WEAKLING TO A REAL MAN.

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn you, too, into a marvellous physical specimen . . . a REAL man from head to toe . . . a man who STANDS OUT in any crowd! What's my secret? "DYNAMIC-TENSION" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard SOLID MUSCLE!

months or a year ago are beginning to cheer him. And friends of mine who used to cheer him are booing him!

The best I can figure out is that the fans who are cheering Bockwinkel are happy that he took the AWA championship away from Otto Wanz before Wanz was able to bring the belt back to Austria.

As far as I'm concerned, Bockwinkel is still a no good, shiftless, cheating champion. Nothing has changed. Bockwinkel still cheats to save his title, he still relies on his manager's interference to help him save the belt. Nick Bockwinkel is as deserving of the fans' hatred as ever before.

BOB BACKLUND: CRYBABY

Everybody is always saying how great Bob Backlund is. Well, Backlund is the biggest crybaby in wrestling. Sgt. Slaughter would be the WWF champion right now if Arnold Skoaland hadn't interfered. Backlund won't even take on scientific wrestlers like Pedro Morales, Ivan Putski, or Rocky Johnson. I think he should give Jimmy Snuka another chance at the title now that Snuka is managed by Buddy Rogers.

Oh, and by the way: I loved it when Superstar Graham ripped up the belt while Bob Backlund was crying in the ring. Way to go, Graham!

AND ABOUT THAT BELT . . .

The WWF belt that superbum Billy Graham tore up should have been kept for him in case he defeated Bob Backlund. Then the WWF could have made him wear the destroyed belt instead of a new one. Graham is a disgrace to wrestling.

BALDNESS CURE?

EXCLUSIVE

'The progressive re-growth of hair is not in question!'

According to the Federal Trade Commission nothing now exists that can re-grow hair on a balding scalp.

Although scores of satisfied clients, both men and women, that once suffered from the problems of pattern baldness are convinced the formula known as **MEDI-TEC 90™** was the cause for their regrowth of hair, their own documented testimonials stating the incredible results achieved with the use of **MEDI-TEC 90™** is not what the Federal Trade Commission calls acceptable proof.

NOTE: The actual file photographs shown on this page, photographs of the progressive re-growth of hair experienced while using **MEDI-TEC 90™** have not been altered.

SEEING IS BELIEVING

But with the complex regulations binding the F.T.C., the possibility of coincidence prohibits F.T.C. endorsements.

FACT: That there is a definite progressive re-growth of hair while under the **MEDI-TEC 90™** program is not in question.

WHAT WAS RESPONSIBLE FOR THE REGROWTH OF HAIR?

For the many who have used **MEDI-TEC 90™** and experienced the re-growth of hair. The daily application of the **MEDI-TEC 90™** solution was the cause. They feel, as the following testimonials state, that without the daily application of **MEDI-TEC 90™** their suffering and embarrassment would not have ended.

"I'm writing you this letter because I must apologize. When my husband ordered your product I was mad. Throwing money away on some worthless product again. But now after about 5 weeks hair is growing. I can see it myself with my own eyes."

Mrs. S.C.

*"I started using your formula at — (a well known private clinic). Now I apply it (**MEDI-TEC 90™**) myself at home. The formula works — my hair has grown on the balding areas and it only cost me 1/3 the price."*

Mr. P.G.

"What more can I say but thank you, thank you, thank you."

Mr. L.M.

"Besides the fact that your product works...It's easy to use, no odor and not greasy!!"

Mr. H.B.

"Your product has done more for me than grow hair on my scalp...It has given me back my confidence..."

Mr. C.D.

NOTE: Formulations developed for the treatment of pattern baldness are presently used by expensive clinics in the United States and many countries around the world. The fact is you can apply these same formulations to your scalp at home without the expense or embarrassment of going to a "baldness" clinic. The Robertson-Taylor Co., a division of Intra-Medic Formulations Inc., believes that an affordable "at home" treatment must be made available. The suffering of baldness should not be a penalty of a moderate income.

WHAT CAN YOU EXPECT FROM MEDI-TEC 90™?

THE PHOTOS SHOWN ARE NOT STUDIO PHOTOS. THEY WERE TAKEN BY AN ACTUAL CLIENT AT HOME. THE POOR REPRODUCTION ON THIS PAGE IS DUE TO THAT FACT.

SEE RESULTS IN WEEKS.

The fast acting **MEDI-TEC 90™** Formula will start to work immediately. This exclusive formula will begin to allow the hair follicle to "breathe". In 2-4 weeks you will start to see evidence of new hair growth in previously bald or thinner areas. After that your new hair will gradually continue to fill in and thicken.

MEDI-TEC 90™ — THE ODORLESS, GREASELESS, EASY TO USE FORMULA

This powerfully effective formula is easy to use. It is odorless, it is greaseless, and it is easily applied with a spray applicator that is supplied at no extra charge. Simply spray **MEDI-TEC 90™** onto the thinning or balding areas of the scalp a few times each day. You will see results. **GUARANTEED!**

CERTIFIED GUARANTEE

Use the **MEDI-TEC 90™** formula for 30 days. If you do not see the progressive re-growth of hair over the entire balding area of your scalp, the same re-growth of hair experienced by others who have used the **MEDI-TEC 90™** formula. Return for a prompt and full refund.

The underhanded tactics of Don Kernodle and Sgt. Slaughter make the pair unworthy of the NWA tag team belts, writes Jason Buffaloe.

Kernodle, and that's seeing them cheat all the time. Champions don't cheat, they wrestle proudly. The only way Slaughter and Kernodle seem able to win is by cheating. They don't deserve to be the NWA tag team champions.

I think that Rick Steamboat and Jay Youngblood should be the NWA tag team champions. They deserve to have the belts around their waists. They don't cheat or brag about what they are going to do, or what they've already done. They act like champions, which is more than I can say for those babies Slaughter and Kernodle.

WILDFIRE'S NOT STUPID!

This letter is in regard to Timothy's Easterling's letter in the December 1982 issue of *Sports Review Wrestling*.

Listen, Easterling, I don't think you ought to call Tommy "Wildfire" Rich a stupid wrestler, because he is not stupid. If anyone is stupid, it's you. Either that, or you don't know very much about

wrestling. So what if Tommy only held the NWA title for five days, the point is that he was NWA champion, and he held the title before Ric Flair ever did.

I don't think Tommy is stupid, and I hope that the rumors about him leaving wrestling aren't true, because Tommy Rich is the best!

ASTONISHING CULT

I am personally shocked and stunned at what has been going on in Florida over the past few months.

Kevin Sullivan, it seems, has formed a cult based on devil worship. Sullivan has been invoking Satan before his matches, asking for guidance and a path to victory.

This would be bad enough if he was restricting these activities to himself, but he's already sucked Jake Roberts

The fact that Tommy Rich held the NWA title for five days does not cheapen his magnificent accomplishment, writes "Mailbag" contributor Bobbie Boysel.

I promise you, Kevin Sullivan, this is not the way to live your life. You will burn in hell for these sins!

THE TATTLER

MIAAMI—The Fabulous Kangaroos are on the move again. The Global tag team championship was recently captured from former titlists Barry Windham and Ron Bass by the latest incarnation of the Kangaroos, Don Kent and Johnny Heffernan.

Although they are managed in Florida by J.J. Dillon, the Kangaroos' contract is still officially owned and handled by Al Costello, one of the original Fabulous Kangaroos from when the team first debuted in

HEFFERNAN, DILLON, & KENT

1955. Dillon considers his business arrangement with Costello to be a major achievement in his managerial career.

"The Kangaroos are legendary," Dillon told *Sports Review Wrestling*. "Their heritage spans four decades, and there is so much skill and knowledge associated with the Kangaroo name, I just don't see where I can go wrong. I consider it an honor to be handling their matches here in Florida, and I hope the fans realize that this is yet another example of the scope of the managerial power and influence I wield. I'm putting the wrestling world on notice right now: 1983 is going to be the year of J.J. Dillon."

Considering the way The Kangaroos took the Global title so quickly, Dillon's expansion into Georgia, and his deathlock on the Florida wrestling scene, the unscrupulous manager may be right about 1983.

Slim Down Scientifically Without Starving!

That's right! 4-6 inches starting the very first day! Science has known about this principle for years. In fact, right now, professional and amateur athletes the world over are using it in their training programs. And many famous entertainers who have to trim down fast rely on this method. Now, you can use it to melt inches off your waist, . . . your hips, . . . anywhere!

Skin Diver's Discovery

Many years ago, skin divers noticed that when they changed from their wet suit to street clothes, their pants were loose and their weight was many pounds less! A scientist found three reasons—

1. A wet suit is worn snugly, resulting in an isometric effect that can actually add tone to loose muscle tissue. *Shrink Wrap is adjustable so you can put the isometric effect to work for you immediately!*
2. Wet suit rubber provides insulation and retains body heat, so they burned calories faster. And, they couldn't snack, so they burned off body fat. *Shrink Wrap is*

made from this same rubber and you'll burn fat off your body faster by using it to modify eating patterns.

3. Diving and swimming burn additional calories and amplified the heating effect of the special rubber. *Shrink Wrap comes with its own easy exercise program for you to shed unsightly inches even more rapidly.*

Don't Hold Fat In . . . Lose It!

If you want to go even further, the Shrink Wrap System will do it with you. Our special fastening system allows Shrink Wrap to adjust to your new size as you shrink away. And your waistline, hips, and other problem areas will continue to shrink when you use the Shrink Wrap System lo-cal eating plans that won't leave you hungry. There's something for every lifestyle. You can use it as often as you need it to keep those inches off.

Not a Cheap Imitation

Shrink Wrap's strong, quality construction has added benefits which give soothing, invigorating support to tired, tense back muscles, while helping you trim away inches easily and comfortably. Just one look at our distinctive waistbelt and you know you're getting the rubber actually used by our astronauts for insulation in training. And, it's soft and washable too. Remember, plastics and elastics are merely flimsy imitations. Girdles just squeeze it in. But the Shrink Wrap System takes it off . . . fast! It's working right now for thousands of satisfied buyers and it can work for you, if you order now!

The Inquiring Reporter

No one knows wrestling better than the fans.

Because of this, we're now giving these experts a forum for their views and opinions. Each month, we'll ask a controversial question and have the fans answer—no matter what those answers might be!

THE QUESTION:

"How do you feel after your favorite wrestler loses a match?"

THE ANSWERS:

David Kane, Indianapolis, IN: "I get disgusted at first. You know, I pay good money to get into the arena, and I go there to see Bruiser win. I get pretty mad right after he loses, but you have to figure that he's only a human being. Also, it isn't like he went in there to lose. I think a lot of the fans take it too personally, and I guess I'm one of them. Once I think about it, though, I calm down."

Margaret Geddes, Washington, DC: "My favorite wrestler is Jimmy Snuka. Even before he split with Albano, I was a fan of his. I had never been a fan of a rule-breaker before, but there was something about his style that I liked. When I watched Ray Stevens and Albano bloody him up on TV, I almost died. It would have been awful if it were any wrestler, but my favorite was getting destroyed. I felt terrible for him. In fact, I called the TV station to see if I could find out what hospital he was in, but they didn't know."

(Continued on page 54)

Jimmy Snuka is helped onto a stretcher by Buddy Rogers. Seeing her favorite assaulted by Lou Albano and Ray Stevens upset Margaret Geddes of Washington, D.C., greatly.

miracles happen in their daily lives!

You'll see how Vern, a man who likes to give a lot of expensive parties, was always short of cash until he discovered the amazing WITCH'S MONEY JAR—now all he has to do is dip in, for it brings him an endless flow of cash! Evelyn, a waitress, was always lending money to friends, and was always broke. Finally, she placed her last dollar on the table, and worked the MONEY MAGNET SPELL over it. All at once, dozens of people who had borrowed money from her, rushed to pay her back!

Hank was perpetually broke. One night he got together with some friends, and they decided to cast the MONEY SPELL. The very next day, Hank received in the mail a check for some \$250 worth of insurance. (He had never heard of the company that sent the check, he was not insured with them, and had never even made a claim—but he accepted the money.) Another member of the group that used the spell, a 40-year-old secretary, received an automobile as a gift! All the other members of the group received amazing windfalls of money, as well! You'll see how Dexter, a retiree, lives RENT FREE and receives \$200 a week at the age of 78, with a secret you'll find in this Witch Book! You'll see how Claudine, a secretary, was able to wear the finest, most expensive furs—FREE—and spend weekends at an expensive ski lodge in the mountains, where she met a wonderful man! How Ruth L., a widow with nothing but a small pension, and a little savings—received her dream house, by using a simple 5-minute ritual on page 38 of this book!

Using the same Witchcraft secrets, YOU can achieve peace of mind and freedom from money worries for the rest of your life!

YOU CAN HEAL YOURSELF AS WITCHES DO!

Feeling sick today? Plagued by a lot of troublesome illnesses? Perhaps some relative is sick and constantly demanding your attention? Or perhaps it is even a pet that needs help? With the MAGIC POWER OF WITCHCRAFT, you can cure anything, say authors Gavin and Yvonne Frost: "In our experience... we have not found a single incurable disease!"

ANDY DISSOLVES A GALLSTONE!—Andy M. developed gallstones. When his illness became too troublesome to ignore, he went to a doctor. Urine tests revealed that he was chronically alkaline. His body was badly out of balance. Using this Witchcraft method to restore balance to the mind and body—in a short while, X-rays showed that he had no more gallstones! Andy never again suffered the excruciating pain of passing stones!

In the same way, say Gavin and Yvonne Frost, almost all illness can be prevented. You are actually employing an ancient Witchcraft method to remove diseased tissue! Even if you do not have any belief in the results, the power will work for you!

One woman, who had been in a wheelchair for 26 years, due to polio and arthritis, used the Witchcraft healing method, and reported that she had no pain and could walk and garden again! A man reported that his son's deep 3rd degree burns miraculously healed overnight!

SO SIMPLE A CHILD USES IT!—A 4-year-old girl asked if she could try to heal a man who was limping—due to a torn ligament—with this simple Witchcraft healing method. In a matter of moments, she started her chant, laying her hands on the weak ankle. The man was miraculously cured! To skeptics, this should be convincing PROOF that anyone can use it!

AMAZING POWER CAN BE YOURS!

Whether you want infinite wealth, or just a comfortable new home, financial security, fine possessions, love, companionship, new health and vigor, power to control others, secret knowledge, protection from evil, or anything else, the magic power of Witchcraft can bring it to you quickly, easily and automatically! It's the easiest thing in the world!

HOW TO SEE INTO THE FUTURE!—Would you like to be able to see the future? You CAN with the magic Black Mirror you'll see how to make on page 23. All you need is some ink and a bowl of water. Then use the chant on this page, and you will be able to see many things. One man uses it to read tomorrow's newspaper. YOU can use it to check the stock market or that important horse race!

Muscular Paul Orndorff (above) is a man of strong will. He was determined to win the Georgia National title from Masked Superstar, and he did. He is equally determined to keep that title away from Ivan Koloff, even if it means wrestling in the brutal style matches to which the Russian is better suited (below).

PAUL ORNDORFF IS a man who should never be taken lightly.

When Paul Orndorff defeated Super Destroyer for the Georgia National heavyweight title on October 3, 1982, he promised the Georgia area fans that he would hold on to the title, dedicating his efforts to those very fans who have supported him for so long.

Orndorff battled valiantly as he defended the title again and again, but fate caught up with him and the other half of the Georgia masked terrors, Masked Superstar, defeated Orndorff and took the title on October 17.

It wasn't long before Orndorff was back in training, practicing maneuvers and honing his body to muscular perfection. He appeared on television again and again, talking of a match against Superstar scheduled for November 7, 1982. He said without any hesitation, "I will defeat Masked

Superstar for the title. That is a promise. I will not let my fans down."

As of press time, Paul Orndorff still wears the Georgia National belt he won from Masked Superstar.

In addition to his extremely heavy schedule of title defenses, Orndorff has been a primary force

in the current Georgia wars. He has provided a great deal of help to wrestlers like Tommy "Wildfire" Rich, Johnny Rich, "Hacksaw" Butch Reed, and Tom Pritchard in bringing Ivan Koloff and "Mad Dog" Buzz Sawyer under control.

Furthermore, he has renewed his promise to wrestling fans

The "Question of the Month" is:
"What makes a man a champion?"

Submitted by:
Joel Karr,
Philadelphia,
Pennsylvania

RIC FLAIR

"You have to be ready for anything at any time. You can't let your guard slip for a second. You can't trust anyone, because there are some shiftless people out there who will do anything to get my belt. No friends, no let up, no security... but I wouldn't give it up for anything. There will be time for all the rest of it later on."

BRUNO SAMMARTINO

"There are all kinds of things that make a man a champion, but one thing that really helps is having a manager who you can trust. He takes care of all the deals and arrangements so the wrestler can do what he does best, wrestle. I owe half of my championship years to Arnold Skoaland for all he did for me."

TOMMY RICH

There are champions all over the place, not just in the wrestling ring, man. My daddy was a champion. Every day he went off to work, and he worked hard for all of us, and fed us, and put clothes on our backs, and gave us a roof over our heads. He was, and still is, my champion. I thank God every day for giving me a daddy who cared about me."

JIM BRUNZELL

"Determination. You have to get up every day and train; running, stretches, and then to the gym. After that, getting ready for the match, and then you wrestle at night and try to get to sleep at a decent hour. Every morning when I get up sore and tired, I wonder why I do it, but I know why. Someday soon I will be world champion."

RS ANSWER OF THE MONTH

RICK MARTEL

"You can't be good at something unless you're enjoying what you're doing, and you can't be a champion unless you're good, so I guess you have to have some fun out there if you plan on being a champion. I love being in the ring, hearing all the fans rooting me on. Sure, I'd like a championship belt around my waist, but I'm wrestling for the fans almost as much as I am for myself."

DUSTY RHODES

"Like the song says, baby, 'You Gotta Have Heart.' If you get knocked down, you get up, brush yourself off, and go to it. If you get knocked down again, you get up twice as fast. 'I can't' are two words you'll never hear from a champion. You gotta keep goin', keep pluggin', keep tryin'. There is no tomorrow, that's what I think to myself, there is no tomorrow. It's now or never, man."

RAY STEVENS

"Being champion is okay. You get a belt, you make a lot of money, but I don't really care too much about it. What I really like is just going into a ring and busting someone's arm or piledriving them into the ground. The best is hearing some wimp's leg crack in half and knowing you did it. It's the best feeling in the world. Don't get me wrong, though, being champion is all right. The money is great."

TERRY FUNK

"It's all politics, all of it. Flair, Backlund, Bockwinkel... they're all paper champions. The only way to win a title these days is to back into it, like Bockwinkel did, or play games with the promoters. I don't blame any of them, though. They know I can beat them, that's why they're running. That is why I have claimed the world's championship."

GARY HART

"Only the complete wrestler, the wrestler who knows the moves, the one with speed, strength, and enough brains to know what to do inside the ring can even aspire to a championship. Even a great manager like myself cannot lead a man to a title if he doesn't have these qualities."

MANNY FERNANDEZ

"Courage. It takes a lot of courage to climb through the ropes every night knowing that there's a guy on the other side of the ring waiting to destroy you and take your belt. Anyone who holds a title belt knows that feeling, and it's not a good one."

The Night They Bo

YOU DON'T ATTACK a national institution. Unless you're Dusty Rhodes and have something to prove.

"I'll take the risks," said Rhodes, frowning. "I've always taken chances and been out front on issues. I've never shied away from a fight. Don't matter to me where it is or who it's with. If someone wants to mess, I'll mess. If he doesn't have guts and needs to do it in his own backyard, I'll mess there.

"That's why I didn't think twice about takin' on Inoki," said Rhodes. "You don't make it in this business by playin' safe. I knew what I was up against. I knew Inoki would have his people in back of him and I'd be skewed if I did anything they thought was wrong.

"Didn't bother me then and doesn't bother me now," said Rhodes, shrugging.

Japanese fans have always adored Rhodes. His aggressive style and responsiveness to the audience earns him plaudits across the land. Yet fans could not side with Rhodes against Inoki. That would be heresy. Rhodes knew that. But he had something to prove.

"Inoki made some remarks," said Rhodes, his expression hardening. "He said things about American wrestlers that, well, I didn't like."

Such as?

"He puts down our trainin' methods," snapped Dusty, his anger growing. "He said we weren't Spartan in our discipline, that Americans were cowards and run at the first sign of trouble.

"When I first heard that statement, I was real shocked," said Rhodes. "Inoki is fair and

HOW THE AMERICAN DREAM BECAME AN INTERNATIONAL NIGHTMARE

Dusty Rhodes has heard the boos before. However, these boos were different. They cross an ocean and threaten to grow into an incident of international proportions

Good Dusty Rhodes:

honest. I couldn't understand why he'd say such a thing. So I called to discuss this little matter.

"Inoki wouldn't talk to me, wouldn't say a damn thing to me. I was real hurt. I thought we were on the same side. I thought we were allies. Once I realized we weren't, well, I decided to persuade Inoki to think otherwise," said Rhodes.

Rhodes expected fan disapproval. Yet he is confident eventually he will become a big favorite.

"Right now, the fans are

confused. They don't understand my philosophy. They don't see what I'm trying to get across," said Rhodes. "Fans tend to lump you into one of two categories. They gotta allow for people like me who don't fit into any niche.

"I'm tough and aggressive. Sometimes I can brawl and bluster with the best of them. Well, I am the best of them. But I can also wrestle scientifically. I'm versatile. Fans gotta allow for special types like the American Dream, who can do it all."

Going against the grain of fan sentiment by wrestling Inoki took guts. Yet this was the perfect forum for a demonstration of Rhodes' philosophy.

"Fighting favorites pumps me up, gives me added inspiration. I don't like hearin' fans put me down. My regard for the fans is well known. But you gotta take a stand," said Dusty.

"Inoki bad-mouthed me and my people. I know how popular he is in Japan. But his popularity can't stop me from

fightin' for what I believe in. Even if I lost, I wouldn't stop crusadin' for my belief, for speakin' out and defendin' what I see as the right things in life.

"People criticize me for always talkin' and runnin' at the mouth. They say I got too many opinions and should learn to keep my big mouth shut. I can't. If I see wrong, I try and right it.

"So I caused some controversy in Japan. I know. How could I prevent that? Only way is for me to shut up about injustices. I won't. Inoki had to be taught a lesson. He had to see that you don't make cracks without expectin' at least one person to stand up for what he feels is right," continued Rhodes.

Rhodes displayed an extraordinary determination against Inoki.

"I was ready for some heavy duty wrestlin'," said Rhodes. "When I'm psyched and ready for action, there's no stoppin' me."

Not even the fans?

"Nope. A man's gotta do, what a man's gotta do," said Rhodes. □

HULK HOGAN— WHERE DOES HE GO FROM HERE?

Incredible as it may seem, the wrestling career of Hulk Hogan appears to have reached a standstill.

Yes, he continues to win his matches. Yes, he continues to impress fans and opponents with his considerable skills. But when it comes to acquiring a major title, Hogan has some crucial career decisions to make

At the center of the action in the Las Vegas Battle Royal, Andre the Giant and Hulk Hogan gang up on Ken Patera (above). Hogan has Patera down and on the verge of going out (below).

LAS VEGAS IS a city that never sleeps. Outside, on the strip, night and day differ only in that at night, the light that illuminates all activities comes not from the sun, but from millions of neon lamps. This relatively small acreage of land is crammed to the limit with casinos, hotels, and restaurants.

Inside the casinos, there is no way to distinguish night from day. The clicking of chips, the whirr of the roulette wheel, the relentless sounds continue 24 hours a day, occasionally drowned out by the adrenaline-fueled screams of a big winner.

The casino inside The Showboat is as exciting and hectic as any hotel/casino in Vegas. But the real excitement recently took place not at the blackjack tables, not at the craps tables, but in a wrestling ring. A Battle Royal was taking place, and local oddsmakers were booking Andre the Giant as the favorite to win the contest.

The smart money was playing Andre, but it was no foregone conclusion that he would win. Baron Von Raschke, Ken Patera, Crusher Blackwell, Bobby Duncum, and Hulk Hogan were also among the participants.

A lot of bookies were happy when Hulk Hogan was left standing alone in the ring at the end.

As he acknowledged the cheers of the Las Vegas wrestling fans, Hulk Hogan smiled, but it was a halfhearted smile. Sure, he was happy that he had just won \$50,000 in prize money, but lacking in his smile was an indication of true inner satisfaction, the kind of satisfaction that comes from more than just money. It comes from a sense of purpose and direction.

In the next week, Hulk Hogan was scheduled to wrestle several matches in St. Louis. His opponents would include Great Tio and Greg Valentine. But not NWA champion Ric Flair.

Following a tour of Japan for several weeks, Hogan would be back in AWA country. His opponents would include Jesse Ventura and Ken Patera. But not AWA champion Nick Bockwinkel.

What is happening to Hulk Hogan? Why recently has he taken matches against top challengers and not major champions? If he is as dissatisfied as he appears, why doesn't he change the course he is currently on? Why does he continue to tour Japan, destroying his momentum toward championship matches here in the United States?

All valid questions, the answers to which we can only arrive at through speculation.

Clearly, Hulk Hogan has lost any sense of direction his wrestling career once had. There

was once a time when the AWA championship was the most important goal in Hogan's life. That does not appear to be the case anymore.

Perhaps the taste of Hollywood that Hulk Hogan received when he appeared in *Rocky III* altered his outlook on

life. Perhaps the easier life of an actor attracts him more than the grueling day-to-day schedule of a professional wrestler. If Hulk Hogan is considering leaving wrestling in favor of an acting career, the effects would certainly be seen in the ring and in the direction his career

When most people thought Hogan would go for a title shot against Ric Flair in St. Louis, the Hulk opted to wrestle Greg Valentine (above). Hogan takes a knee to the groin from Crusher Blackwell in the Battle Royal (below).

The Great Tio is a top contender, but he is not a world champion. Hogan applies a wristlock on the Samoan (above). Many observers feel Hogan is preoccupied with his movie career. "Thunderlips" squares off against Rocky Balboa in "Rocky III" (below).

is taking. Presently, Hogan's career has no direction, so perhaps he really is considering giving up professional wrestling.

Furthermore, when Hulk Hogan travels to Japan, it destroys his chances of gaining title matches here in the states. A month-long tour of Japan may endear Hogan to the wrestling fans there, but it does nothing but hurt his standing in the U.S. And if Nick Bockwinkel battled so hard to keep Otto Wanz from bringing the title back to Austria, you can bet that he's not going to let Hogan win the belt and take it to Japan.

Perhaps what Hulk Hogan needs is a change of scenery. If he made a switch to the WWF and wrestled in that territory for a few months, this might revitalize his outlook on his career. When Hogan was in the WWF several years ago, he was denied the opportunity to wrestle heavyweight champion Bob Backlund at Madison Square Garden. Perhaps he might want to work toward that goal again.

Or maybe what Hogan needs is the guidance of an experienced manager. The proper manager might even be able to strike a balance between Hogan's wrestling in the United States, his wrestling in Japan, and his fledgling acting career.

What is certain is that Hogan's career right now is at a standstill. Something must be done to get it moving again. Whether that something consists of retaining a manager, changing where he wrestles, or something else completely, Hulk Hogan has got to act quickly. If he remains as he is now, his career can do nothing but deteriorate. That would be a sad fate for a superb competitor. □

HOW BOB BACKLUND STOLE THE WWF BELT FROM ME... AGAIN!

By
**SUPERSTAR
BILLY GRAHAM**

Superstar Billy Graham believed he finally had Bob Backlund where he wanted him. Graham had forced the WWF champion into a Lumberjack Match, with Swede Hanson as special referee. Both Graham and his manager, The Grand Wizard, felt Graham could not lose, but lose he did. An angry Superstar Graham claims the reason he lost has nothing to do with wrestling ability

[Editor's Note: Prior to his Madison Square Garden Lumberjack Match with WWF champion Bob Backlund, Superstar Billy Graham was supremely self-confident. A Lumberjack Match, he reasoned, would help assure that there would be no disqualification during the confrontation. Should one man fall out of the ring, there would be a dozen or more wrestlers waiting to throw him right back in again. Furthermore, the WWF had assigned Swede Hanson as special referee for the match. Both

Graham and his manager, The Grand Wizard, were pleased by the fact Hanson had been chosen. "As far as we're concerned," said the Wizard, "Swede Hanson is the best referee money can buy."

The outcome of that match, however, did not please either Superstar Graham or his manager. Bob Backlund emerged victorious when referee Hanson signaled that Graham had submitted to Backlund's chicken wing hold. Graham vehemently denied he ever submitted.

The morning after this match,

Graham phoned the editorial offices of "Sports Review Wrestling." He demanded that we provide him with the forum to, in his words, "explain to the wrestling world how Bob Backlund stole the WWF belt from me . . . again."

We have provided Graham with this forum, not because we bend to the demands of any wrestler who contacts us, but because we feel his opinion is important enough to be presented to our readers. We hope you find them as vital to understanding the Graham-Backlund feud as we do.]

"Special referee" Swede Hanson examines the placement of the chicken wing before calling for the bell (above). Minutes earlier, Backlund withstands the pressure of perhaps wrestling's most powerful bearhug (right). Graham lowers the champion to the canvas by his hair (below).

LET ME TELL you people, all you readers of this fine magazine, that nothing has changed. Bobby Backlund is still the same thieving, conniving, poor excuse for a man that he was five years ago.

At that time, back in February of 1978, Bob Backlund stole the WWF belt from me. Everyone knows it, everyone saw it, the facts of the matter are painfully obvious to any fan who even takes the smallest amount of time to examine the evidence.

Bob Backlund became champion when the referee failed to notice what 20,000 fans in Madison Square Garden noticed: My feet were resting on the ropes during the so-called "pin." He stole the belt from me, and I wouldn't be

Only one man understands their bizarre minds. Only one man knows their past. Only one man can provide a glimpse of their, and our future.)

Six natives accompanied me to the edge of Flurm. A strange odor (something like Sammartino after a heavy workout), filled the air. Stale pepperoni, you know the smell. About a quarter of a mile away, the native started grumbling, looking into trees into the ground. I cracked my whip for obedience. Got none. Crying like Backlund after a bad whipping, the native deserted me. I'd have to make the final trek alone.

Darkness descended. I could barely see. The odor got stronger. I could barely breathe. Even the Captain was nervous. Birds shrieked, vines crunched. And heavy breathing. I stopped, peered,

Despite all this painful attention, they didn't seem bent on violence. I had to communicate. How?

I had to learn their language. Apparently The Samoans never had to leave their cave. All their creature comforts, food, shelter, amusement (two rocks tied to a vine which they'd swing over their heads was their only game). Much of their communication flowed from grunts and gestures.

I know sign language. What'd I have to lose? I made the sign for friend. Their eyes brightened and what passed for a smile—parted lips, saliva over chin, twitching nose—came to their faces. They

THE SAMOANS LIFE STORY

By Captain Lou Albano

THERE'S A JUNGLE in Samoa where no civilized man has ever been. Even the Captain had never dared enter. I'd heard stories of animal-men raised by Samoan tigers and lions, nurtured in the caves. I thought it was superstition. What if it weren't? What if the Captain, brave and fearless, shrewd and brilliant, could actually tame these wild animal-men?

Natives cautioned me against approaching this forbidding black pit of vines and strange noises. In Samoa, they called it "Flurm," a name that was to become as much a part of my vocabulary as hello, good-bye, and brains.

saw the dim outline of an entrance. The entrance to Flurm.

Before I could say how-do-ya-do, four huge arms seized me and whisked me away. Vines covered my face. I whizzed down a dark corridor. Dumped on my rear. When I came to, I was bathed in natural light, deep in the heart of The Samoans' cave.

This was the first time ever I'd seen their faces, Afa and Sika. Bug-eyed, groaning, snarling, hair all over their bodies. Thought I'd died and made a wrong turn. One of them, the good-looking one, poked me in the ribs. I didn't protest. Didn't want my head removed.

responded. Friends.

I asked them how they learned sign language. Afa explained that a genetically deaf tribe of Samoans lived nearby and, when mating season arrived, it was imperative, for physical and emotional happiness, to be able to communicate.

I knew Afa and Sika would be natural wrestlers. Fierce, dedicated, shrewd. What I didn't know was how to control them. See, certain words, like "flurm," and "ratsbupkis," trigger certain actions. But The Samoans don't always respond.

I say I control them 15, 20 percent of the time. Rest of the

A few years ago, when Captain Lou Albano first brought The Samoans to the WWF, we printed this story. Now The Samoans are back, and we felt it was the right time to reprint this story about the origins of The Samoans—according to Captain Lou Albano

When Lou Albano brought the Samoans to the U.S., he made the mistake of bringing them to a barber. They drank the hair tonic. The Captain then purchased replicas of the tag team belts (previous page) to demonstrate what their target was. The clean-shaven Samoans help each other into their traditional costumes (above) and go into fierce combat (below).

time, who knows? They'll go crazy. Ever seen a Samoan foraging for food in the jungle? They'll tear out vines, trees, tigers, kill birds, eat wings, jump into snake pits, anything for food.

Now I've taken that same hunger for food and turned it into a hunger for a title. Samoans don't know from things like money, cars, shoes, water picks. No, The Samoans are primitive, back from mankind's darkest days, before television, before wrestling. Before wrestling? The Samoans invented wrestling! They invented holds. Think Backlund's slippery? Ever try to climb a vine?

Afa and Sika were born from Samoan warrior stock. Their father led this small, fierce tribe. They are killers, madmen, the very future of wrestling. They are true warriors, true leaders, brave men capable of anything.

All wrestling should thank their lucky stars for Afa and Sika. And for Lou Albano, who brought them to America. □

WILL THE QUEST FOR THE NWA TAG TEAM TITLE

JACK BRISCO DELIVERED a forceful elbowsmash to the chest of Ken Timbs. When Timbs crashed to the canvas, Jack grabbed his foot and tagged off to his brother, Jerry.

Entering the ring with energy to spare, Jerry took Timbs' foot and twisted the leg. Jerry increased the pressure as Jack offered support from the corner.

Then another tag was made, and Jack was back in the ring sending his elbow crashing into Timbs' leg and weakening it even further.

Throughout the ordeal, Timbs was unable to come within tagging distance of his partner, Jim Dalton. But if Timbs and Dalton were unable to mount any sort of an offensive, it certainly wasn't for lack of trying; the brothers Brisco performed like a well-oiled machine, tagging off frequently, and keeping their opponents at a distinct disadvantage throughout the match.

Another tag, and Jerry

TEAR THE BRISCOS APART?

Championship belts can deeply affect the men who wear them. When the championship in question is a tag team title, the potential problems are doubled. Wrestling history is filled with stories of tag teams that were torn apart because of internal conflicts. Are Jack and Jerry Brisco immune to these conflicts? Not necessarily

Jack Brisco applies an overlapping toe hold on Jim Dalton. The Brisco brothers are preparing themselves for a title shot with NWA tag team champions Don Kernodle and Sgt. Slaughter. But are they prepared for the potentially disastrous side effects of going after the title?

charged into the ring. By this time, Timbs was grabbing his left leg in agony, but Jerry offered no mercy. He snaked his legs around Timbs' and, in seconds, applied a perfect figure-four leglock.

Outside the ring ropes, Jack Brisco cheered his brother's achievement. The referee called for the timekeeper to end the match. Jack came into the ring and helped extricate his brother from the figure-four. The brothers embraced, and another victory was added to the Briscos' considerable record as a tag team.

At that instant, Jack and Jerry Brisco appeared to be the happiest men in the world. As brothers, their friendship is legendary; as wrestlers, the Briscos have a reputation for being

a precision, winning tag team.

Now, as 1983 shifts into high gear, Jack and Jerry Brisco are preparing for the most important mission of their lives. Jerry Brisco explains:

"Over the years, my brother and I have wrestled in a lot of tag team matches, and we've held some titles along the way, but there have been some things going on in the NWA recently that we don't particularly like. I'm talking about the men who wear the NWA tag team belts right now: Sgt. Slaughter and Don Kernodle.

"These two men, or should I say snakes," Jerry continued, "are not the kinds of wrestlers who should be representing the NWA to the world. Jack and myself are going to be campaigning very heavily against

Slaughter and Kernodle in the weeks to come. In fact, we hope to have the NWA tag team belts by the time this magazine reaches the newsstands."

But if the Brisco brothers manage to capture the NWA tag team belts, how will that affect their relationship? Will the achievement serve to create tension between the two brothers who have maintained such a solid reputation of professional cooperation so long? Indeed, will the very fact that the Briscos are campaigning for the title serve to drive a wedge between these closest of brothers?

Consider the facts:

- The current NWA tag team champions, Sgt. Slaughter and Don Kernodle, have been

Jerry Brisco applies a front facelock, making sure Ken Timbs cannot move forward to make a tag (above). When Brisco is through with Timbs, he will be in position to tag off to Jack (left). The Briscos have proved they are a great tag team, but they could be making a big mistake going for the championship.

experiencing tensions between themselves (see *SPORTS REVIEW WRESTLING ANNUAL*, Spring 1983: "NWA Tag Team Champions Kernodle & Slaughter—Will The Chain Of Command Break Down?"). We can safely assume that these tensions have come about as the result of pressures put on them by the rigors of defending the belts. The Briscos, as they work toward the championship, are facing similar pressures. Often, challengers have to work harder than champions in order to achieve their goal. The pressures of contention have claimed literally dozens of tag teams over the years.

After just a few seconds in the ring, Jack tags Jerry back into the action (above). And before Jerry can get too tired, he brings Jack back into the ring (below).

● Jack Brisco, the older of the two brothers, has held many more singles titles than Jerry. He is currently the Mid-Atlantic champion, he has held the Missouri title twice (once defeating current WWF titlist Bob Backlund for that honor), and he is a two-time NWA champion. It would not be foolish to suspect that a sort of sibling rivalry might spring up between the two brothers as they come closer to becoming NWA tag team champions.

● When he was NWA champion from 1973 to 1975, Jack Brisco's personality became extremely volatile. Every so often he would adopt the per-

sonality of a rulebreaker rather than utilize the conventions of scientific wrestling that helped him capture the title in the first place. Should he obtain as important a title as the NWA tag team championship, he would be experiencing the same pressures that made his style so uncertain while he was NWA champion.

Upon examining these facts, it becomes clear that under the pressures of attaining and upholding a major championship, even the closest of tag teams could easily split apart. In this case, there is a lot more to lose outside the ring than within. □

SPORTS REVIEW BONUS PINUP

JACK & JERRY BRISCO

A fascinating blonde beauty has everything anyone could ask for in life. However, she could lose it all in one incredible battle with the most ferocious Amazon in apartment wrestling history

THE MAID BURNED the toast again. Belinda finished breakfast and pushed her tray aside. There was still time for another hour's beauty rest before the masseuse was due to arrive. Belinda could never get enough of silk sheet luxury.

For six months, the blonde beauty had been living the great life. Her every whim was indulged by one of the richest men in the world. The

penthouse apartment she called home was in one of New York's most exclusive buildings, overlooking Central Park. Naturally, her benefactor picked up the rent bill, or rather, one of his many companies did. It's not sure how he wrote off Belinda's designer fashions, gourmet meals, and lavish presents. The exquisite woman didn't worry about such things.

Belinda had only one worry.

She was living the life of luxury because of her great skill as an apartment wrestler. Whenever the tycoon saw her conquer an equally beautiful young lady in combat, his every sense pulsed from her savage fury. He could no more resist her magnificence than he could stop breathing. He was captive of her power, and too happy to complain. The electric delight he felt in watching her was worth more

THE SIX MILLION DOLLAR BEAUTY WHO D

than anything Belinda could want.

So he decided to make sure this incredible Amazon got what she wanted. Like his stable of race horses, Belinda was given the best care, the best accommodations, and the best service. He rarely spoke to Belinda, and almost never visited the apartment. To him, she was just another animal it gave him pleasure to watch. It didn't interest him to take the relationship into any other areas. All he desired was the knowledge of possession.

That suited Belinda fine. Her benefactor never interfered in her private life; he only made it perfect. Still, there was a sword dangling over the beauty's head. If ever she should fall from favor, if ever she should lose, her riches would be taken away.

Belinda didn't plan to lose. She was having too much fun. A friend dubbed her "The Six-Million-Dollar Woman" and she liked the way it sounded. Even the little things, like the doormen scurrying to get her a cab, delighted the lady. This was the best of all possible worlds, and she planned to keep it that way.

When her masseuse arrived, Belinda was happy as a kitten. That contentment didn't last long.

As the masseuse spread coconut oil over Belinda's lithe body, she informed the warrior, "I hear Pamela is to be your next opponent." The masseuse increased the pressure as Belinda's body tensed. "Now, now, pet," the masseuse continued, "relax. You still have

a week before the match. No sense worrying about it now. You're just making my job that much harder." Fingers dug hard into Belinda's flesh, trying to loosen muscles constricting from panic.

The massage was a war between the masseuse's fingers and Belinda's nerves. Visions of her old studio apartment and

much. Pamela proved herself a bully consumed by killer instinct.

Once someone dominates an opponent like Pamela dominated Belinda, the smart money says the winner will always conquer. Something in the loser's head, a memory of the pain perhaps, makes her scared, clumsy and helpless. By all rights, Pamela would have no trouble

hotplate dinners swarmed through Belinda's brain. The scuffling for rent money, the lousy job at Bloomingdale's; her nightmare past could become her future. Pamela was back.

A year ago, Belinda had been devastated by Pamela. It was a cruel exhibition of grappling dominance. The battle left its sour aftermath in the pit of the spectators' bellies; it went on too long and Belinda suffered too

mauling Belinda once again.

Yet, Belinda knew what would happen if her protector's favor transferred to Pamela. She couldn't afford to lose. There was a week to prepare. Not a moment would be wasted.

While Belinda trained with monastic intensity, Pamela renewed her acquaintances in New York City. When she left the city eight months ago, she'd been the toast of the jet set, the wealthy, and a select group of the more successful artists. From Sutton Place to Soho, her arrival was greeted with celebration.

As Pamela applies pressure to a toehold, Belinda prepares to bite her beautiful brunette opponent's leg.

When people told her of Belinda's good fortune, Pamela's face took on the expression of a hungry shark. By this time next week, she assured her companions, Belinda's good fortune would be Pamela's own.

There were plenty of people eager to tell Belinda of Pamela's threats. The blonde heard the news time and time again. Each time she laughed; a horrible, choking laugh that stuck in her craw and chilled the listener. Some said she trembled, others didn't notice. Her maid claimed to have heard Belinda scream in the night, victimized by nightmares, but the two women never got along.

The night of the match, most of New York's wealthy filled the penthouse of Belinda's benefactor. This was the fitting arena for such a brawl. It was no accident that the patron seated himself in the huge *Louis Quatorze* armchair; this modern Sun King was ready to preside

the bedrooms. Each was dazzling. However, Pamela moved with the confidence of a conqueror. Belinda looked more like a cornered animal ready to fight for its life. In fact, that description pretty well described Belinda's situation. As for the tycoon, he looked like the emperor impatient for the festivities to start.

The signal was given. Pamela slowly approached Belinda as the blonde stood her ground. Then, with lightning swiftness,

Pamela's arm slashed through the air and the back of her hand smacked against Belinda's temple. The blonde sprawled on the carpet. The crowd was pleased. It would be a slaughter.

Belinda had other ideas. With ferocious grace, she sent her feet smashing into Pamela's belly. Belinda's body was a missile of torment; Pamela doubled over from its power. Belinda sprang to her feet and leaped on the pained brunette.

over his realm. The more sensitive apartment wrestling spectators didn't show this night; they didn't want to see a repetition of the last match. Also, it takes a certain ghoulish sensibility to witness Belinda's anguish if she lost. It was a cruel crowd this night, men used to seeing inferiors squirm. Belinda could sense this as she walked quickly to the bedroom.

Pamela too could sense the bloodlust of the crowd, and it delighted her. She was one of them, use to savoring victory over the fallen foe. These were her people, and she was determined to please them. The lioness had come to reclaim her domain. There was only a hint of her powerful grace as she strode to another dressing room. When the dress came off and her magnificent body clothed only in a bikini, then her jungle majesty would be revealed. As far as Pamela was concerned, her victory was only minutes away. The enjoyment of her previous massacre flooded her senses.

Soon, all was in readiness. The women were summoned from

With a passionate fury borne of fear, Belinda delivers a painful chop to the brunette's neck. Many in attendance thought they heard a loud "snap" at this point, signaling a broken neck for beautiful Pamela.

WRESTLER OF THE MONTH

(Continued from Page 18)

everywhere to maintain his hold on the Georgia belt, as well as to continue to aid his friends in Georgia in their battles against Koloff and Sawyer.

For this extremely difficult pledge, and for continuing to remain determined to fulfill the conditions of this pledge, *Sports Review Wrestling* is proud to present Paul Orndorff with the Wrestler of the Month award for April 1983.

Orndorff's bulging biceps press against the back of Buzz Sawyer's head as the Georgia National champion applies a side headlock.

"I want to thank everyone who considered me for this honor," said Orndorff. "It's important to me because even though I hold the Georgia championship, outside recognition is reassuring.

"It's the same kind of feeling I get when I read mail from my fans," Orndorff explained. "I thrive on the support of the fans. It's important for me to know that I'm in the ring working for more than just my own satisfaction.

"Don't get me wrong," Orndorff continued, "I do get personal

satisfaction out of wrestling. I love wrestling, and I wouldn't want to be doing anything else with my life right now. But any man has to look beyond himself to get true satisfaction out of his life.

"In my case, I get satisfaction out of the pleasure the fans receive when they see me win a match. It's a great feeling. To see the smiles on their faces, to hear their cheers in the arenas, to know that there is support out there for what I'm doing. There's no other feeling like it in the world."

Orndorff does more than just soak up the accolades of wrestling fans everywhere. There is a lot of hard work involved, and Orndorff is well aware of that fact.

"I've been doing a lot of wrestling against Ivan Koloff lately," Orndorff said. "He seems to want my Georgia belt quite a bit. Why, he even cornered me into a Russian Chain Match recently. That's Koloff's specialty, and fortunately, it wasn't a title match, but it could have been. I'm going to go into special training to try and counter the kinds of things Koloff uses in a Chain Match. If it's a title match the next time, I want to be prepared."

Orndorff's training methods have become legendary. When he was preparing to wrestle Masked Superstar, he spent hundreds of hours in the gym with his good friend Brad Armstrong perfecting a countermovement to the Superstar's cobra hold. It was that countermovement that enabled Orndorff to finally regain the Georgia belt from Superstar.

Strong, agile, experienced, and determined. These are but a few of the qualities that make Paul Orndorff one of the most formidable opponents in the world. We congratulate Orndorff, our Wrestler of the Month for this issue. □

THE TATTLER

(Continued from Page 12)

in the WWF, Putski says he is ready to branch out and wrestle in different areas of the country.

"The fans on the East Coast have been good to me over the years," Putski explained, "but I am always getting mail from people all across the country.

IVAN PUTSKI

They want me to come to their own towns. I decided I should give them, and some of the wrestlers in their area, a taste of Polish Power."

With the formidable Polish hammer at his disposal, it's a sure bet that Putski will make a distinct impression on both the fans here in San Antonio and the wrestlers who are unfortunate enough to step into the the ring with him.

BALTIMORE—In their first match with the WWF tag team champion Strongbow brothers since their return to the area, two-time former WWF tag team champions The Samoans failed to capture the belts.

The match took place in the Capital Centre in Landover, Maryland. Before a sold-out crowd of nearly 20,000, Chief Jay Strongbow and Jules Strongbow turned back the

challenge of The Samoans.

"I am very proud of our victory here tonight," said Jay Strongbow following the match. "This proves that we are able to defeat The Samoans. We know that they are after the belts, we know that Captain Lou Albano is training The Samoans for one purpose: to defeat Jules and myself, but with this victory under our belts we are much more confident that we will be able to withstand the challenge of The Samoans and continue to bring dignity to the WWF tag team championship."

—John West

MEMPHIS, TN—Self-proclaimed "King of Wrestling" Jerry Lawler has declared his intentions to capture Nick Bockwinkel's AWA championship belt.

"I am the one, the only, the King of Wrestling itself," bragged Lawler, "and I think it's about time I obtained a major heavyweight championship belt. I think Nick Bockwinkel's AWA belt would look nice around my waist."

Does Lawler have any doubts that he will be able to dethrone the AWA champion?

"None at all," Lawler said confidently. "Nick Bockwinkel is a lot of hot air. His wrestling style isn't all that difficult to figure out. I may fail to capture the title the first or second time I wrestle Bockwinkel, but that's to be expected. What I am certain of, however, is that I will gain the title sooner or later. If Otto Wanz can defeat Bockwinkel, Jerry Lawler certainly can."

The Inquiring Reporter

(Continued from Page 14)

After an up-and-down early career, Brad Rheingans (twisting the arm of Sheik Adnan Al-Kaissie) has come on very strongly. Michael Evans of Chicago feels Rheingans benefited from his losses.

Michael Evans, Chicago, IL: "If there weren't losers, there wouldn't be winners. It's like how would we know what hot was if we didn't have cold? You can't feel too bad about it. My current favorite is Brad Rheingans, and I've watched him grow up in this sport. He got beat a lot in his early matches, but he learned a lot from those matches, too. He might not be as good as he is today if it wasn't for those early losses. So...no, I guess it doesn't bother me much."

Steve Keller, San Francisco, CA: "It used to be a problem for me. I'd get really mad. It was especially bad at home. Once I even broke a chair in my living room after seeing a match that I didn't exactly approve of. But I don't worry

Andre the Giant never lets down his fans: He never loses!

about that anymore. My favorite is now Andre the Giant. I don't think I'll ever see him lose."

Catherine Chase, Tampa, FL:
"Oh, it really doesn't upset me at all. What upsets me sometimes is some of the things that happen to wrestlers in the ring. Like when Dusty Rhodes and Terry Funk wrestled in that Barbed Wire Match. It was plain disgusting. Whoever thought that up was just crazy or something. I can't imagine why anyone would want to wrestle in a match like that."

Frank DeGregorio, St. Louis, MO: "Usually, if we leave the Kiel Auditorium in a bad mood after a wrestling card, my friends and I go out and get drunk. That makes me feel better." ☐

GRAHAM-BACKLUND

(Continued from Page 35)

Backlund draws a cry of pain from Graham as he twists his challenger's arm (above). Eddie Gilbert, Rocky Johnson, and Salvatore Bellomo help Backlund back into the ring (bottom). After being shoved by the loser, Hanson punches Graham in the stomach (opposite page).

surprised if Jack Lotz [the referee

So when I returned to wrestling, I was well aware of Backlund's "bond" with the referees. I wrestled for that match] had a check in his pocket with Bob Backlund's or Arnold Skoaland's signature on it.

I tried to take the belt back a couple of times right after that, but Backlund was wrestling with a great deal of strength, the referees continued to make judgments in his favor, and I was still a little stunned from the fact that he had actually gotten away from grand larceny in front of so many thousands of people!

So I left wrestling for a little while. I went into special training. I wanted my belt back, and I am accustomed to getting what I want.

As I trained, I saw the title reign of Bob Backlund grow: one, two, three years and more. When I could, I watched tapes of his matches. I analyzed his style so that I could tailor my own style toward defeating him once and for all. I wanted to avenge the wrong that had been committed against me and my championship belt.

As I analyzed Backlund's style, I

noticed one important fact: He has no style! Constantly, in every match I was able to see, Bobby Backlund has had his title saved by the referees. Again and again, Backlund's opponents would be placed in a position where the referee could make a judgment call one way or the other.

Always, in every match, the referee decided in favor of Bobby Backlund and against his challenger.

Is this mere coincidence? I don't think so. I cannot honestly believe that all things being equal, Bobby Backlund could defend the WWF championship for nearly five years.

him normally a few times, just to check my theories, test my new martial arts-influenced style against whatever it is he calls a style.

Then I pulled my ace in the hole: a Lumberjack Match. A sure winner would be declared. No chance of being counted out of the ring, and a very slim chance of disqualification. Best of all, Swede Hanson was named as special referee.

I believed I could trust Swede. He is a big man, an experienced wrestler, and a man not about to be influenced one way or another in the ring by anyone.

But I never counted on his stupidity. Bob Backlund didn't catch me in the chicken wing, he caught me in a variation of the chicken wing that is in fact a chokehold! I was signaling to Hanson that Backlund was choking me, and that idiot Hanson believed I was submitting!

I have no doubt in my mind that Bob Backlund met with Swede Hanson prior to that Lumberjack Match, discussed matters, and probably handed him a healthy amount of cash.

Bobby Backlund, you stole the WWF belt from me again! By all rights, that belt is mine; I want it back, and I will get it back!

Beware, Bobby Backlund... I'm not through with you yet! ☐

Apartment Wrestling

(Continued from Page 47)

An instant later, Pamela felt her head being crushed in Belinda's vise-like grip. The blonde's face was a mask of rage as she mercilessly tightened her hold. Pamela's face grew red and grunts escaped her lips. The powerful body struggled desperately but without intelligence. Instinct for survival guided every clumsy move.

It was too early in the match, however, for a conquest of strength. Pamela had the reserves to force an escape. Once free, she rolled to the other side of the room. Her look of easy conquest was gone. Now, her expression spoke of cold fury. The spectators leaned forward in their chair. Belinda's benefactor never seemed happier.

Above: Now it's Pamela's turn to try and break her opponent's neck. Below: Pam's knee hits Belinda flush in the mouth, a very painful experience.

Belinda wraps her arm around the lush brunette's neck while her nails work their torture over her back.

Belinda took the advantage. In a blur of action, she twisted Pamela's arm, turned the brunette around, and then kicked hard to the back of Pamela's knee. The victim crumpled to the carpet. Belinda was on her in a flash. The blonde's fist pummeled the fallen battler. Belinda wasn't interested in winning. She wanted to inflict pain.

It was easy for Pamela to escape. Capture hadn't been Belinda's intent. That was one mistake Belinda made.

Pamela's rage knew no bounds. She rushed Belinda, grabbed the brunette around the waist, and lifted her high in the air. Belinda tried to struggle free, but Pamela's motion was too swift. In an incredible display of power, the brunette threw her victim against the wall. The crack of Belinda's head smaching into wood resounded throughout the room.

Groggy, clumsy, Belinda tried to struggle to safety. It was no use. Pamela smashed a fist into the blonde's mid-section. Belinda gasped for air as she crawled away. Pamela didn't let her go far.

Belinda felt Pamela's powerful grasp choking her mercilessly. The brunette knew just where to

hit as her fingers clawed at Belinda's neck. The blonde jerked across the carpet like a windblown puppet, tears streaming down her face and horrible gasps coming from her throat.

It looked like the end. Pamela remembered the previous match. Every nerve tingled with the promise of torture. For that reason, she released Belinda to continue her mauling. Some in the crowd cheered. The wealthy

benefactor sat with eyes gleaming.

For the next few minutes, only the sadistic enjoyed themselves. Every movement brought new agonies to Belinda. Pamela's assault mercilessly tormented the blonde's face, neck, breasts, belly, thighs and calves. Hideous welts and contusions dappled Belinda's beautiful frame. Despite her horror, Belinda refused to surrender. She was driven by more than fear of losing her livelihood. Something inside forced her to go on. It was that something which allowed her to survive.

Belinda's legs flashed out and snared Pamela around the calves. Pamela went down face first. Belinda awkwardly leaped on top of her foe, driving her knee into the small of Pamela's back. The brunette jerked almost back upon herself, giving the spectators a perfect look at her agonized expression. It fed Belinda's bloodlust, restoring the blonde's strength.

Belinda grabbed Pamela's long legs and began to drag the brunette across the carpet. The breasts and belly rubbed against the rug, burning flesh with every inch of the forced journey. Pamela rilled and twisted, trying desperately to end her torture. But Belinda, in spite of her weakened condition, held firm.

At times, it seemed like the task was also torturing Belinda. Sweat poured down her lush body as the exertion reached superhuman heights. Battered but not broken, she used all her strength to drag her foe across the room. Eyes closed, grunting from pain, she continued this odyssey. Finally, she stumbled and fell.

Now both women were free. Yet, the wages of battle lay heavy on both of them. Their movements were constricted by injury. Two lesser warriors would

All the back issues of the ORIGINAL WRESTLING REVUE listed for sale in this advertisement were edited and published by Stanley Weston, who founded Wrestling Revue in 1959 and sold his interests in the magazine in 1964. These extremely rare back issues have not been available to the public for more than 15 years, although many have been sold by private collectors for as much as 75 dollars per copy. This is a rare opportunity for those of you who collect and treasure truly fine wrestling magazines of great historic importance, at a price you can afford. Most of these issues contain magnificent, full color pin up portraits of the world's greatest wrestlers, some of whom are still active. have surrendered. But this was the match each woman knew would one day come. It had to be seen to its finish, whatever the consequences.

Pamela moved first, rushing at Belinda. The smack of flesh resounded throughout the apartment as the beauties, locked in abominable embrace, clawing and tearing in senseless fury. People watched in fascination as two magnificent battlers, driven by instinct and deprived of reason, waged war on the most primitive level of all—the instinct of hatred.

The action grew slow and clumsy. Cries and moans mingled until they became one melody of pain. There was no winner or loser, only pain and madness. And the battle continued.

Finally, something snapped in Pamela's will. Every limb went limp and she fell unconscious. Belinda, too driven to realize what happened, beat upon her senseless foe as a child plays with a rag doll. Someone had to pull

her off. She kept struggling for about 20 seconds, her body unable to cease its motion. Then, as if anesthetized, she collapsed.

The two women were carried into the bedrooms. Neither knew what the outcome of the match had been. Their last conscious memory was of a valiant struggle.

Belinda woke up the next morning in her own bed. Every muscle in her body was stiff and aching. The maid was sent away without serving breakfast. Food was the last thing on Belinda's mind. She knew she had won the match because she was still living in the penthouse.

Was it worth it? Could any luxury be worth this agony? Belinda slid her body across the silk sheets and knew it was worth every scrape and cut. □
